

Are you looking for an opportunity to help you connect to personalized employment in Door County?

Let us help you connect to opportunities throughout Door County!

Why use the MatchUp program?

- ✓ The MatchUp program connects you with part-time jobs tailored to you.
- ✓ We understand what you're all about - your experiences, values, and what you are looking for.
- ✓ You have access to many part-time positions across Door County.
- ✓ Know you are contributing to your local economy by filling part-time positions with businesses in the Door County Community!

About the MatchUp program:

The MatchUp Door County program connects local businesses with experienced individuals seeking part-time work. Through an innovative matching process, the program helps participants find fulfilling part-time roles while supporting businesses in filling critical staffing gaps. It's a community-driven effort to strengthen the local economy and create meaningful impact throughout Door County.

Reach out today for help finding that missing piece that fits in your life picture!
